## 2020 Format (Scratch & Handicap) to be aware of

**Qualification** (Minimum of 6 events required to be eligible for Finals)

➤ All Finalists (maximum of 16 x Scratch & 16 x Handicap) are fixed on completion of the final round. The top 16 Scratch Standings bowlers (**excluding those who have opted to play as Handicap Only**) automatically qualify in the Scratch section, the Handicap finalists are determined by excluding any previously qualified Scratch bowlers from the Handicap standings to complete the Handicap finalists line-up.

- Where a Scratch Finalist is unable to play the Finals the next Scratch bowler in the standings will be invited to participate. In some cases this may mean a Handicap finalist moving into the Scratch section as next in line unless that bowler had opted at the beginning of the season to participate in the Hcp ONLY section.
- When a Handicap Finalist is unable to play the next Handicap bowler in the standings will be invited to participate.
